ABOUT ME

As a Computer Science senior at Van Hien University with 1.5 year of professional experience in game development, I am passionate about developing Puzzle, Casual, and Hyper Casual games. I continuously improve my technical expertise and problem-solving skills to build engaging gameplay experiences. My goal is to contribute to a creative game development team, deliver high-quality products, and grow as a Unity Game Developer in the gaming industry

EDUCATION

VAN HIEN UNIVERSITY

Study Program: Computer Science

SKILLS

- Knowand proficient in:Java,TCP/UDP, C#, CURD Backend, PhotoShop, Figma, Git flow
- Deep understanding of Unity Game Development (2D/3D), Gameplay Programming, Performance Optimization
- SOLID Principles, MVC, Design Patterns, CI/CD, Firebase, Addressables
